

# 2018 Northwest Passage Dance Camp - Camper Welcome Letter!

We're excited that you're joining us for this wonderful weekend of dance and music.

## WE'RE SAVING PAPER!

This letter comes with links to site maps, program schedules, and other useful stuff. There's also a separate camp roster for carpooling. Please print whatever you need for camp and **bring it with you**. We'll only have a few copies at the check-in table. We'll still post some large maps and schedules at camp. A final copy of the camper roster will be sent to participants after camp.

## FRAGRANCE-FREE DANCING!

Northwest Passage Dance Camp is fragrance-free in order to allow those dancers in our community who have chemical sensitivities to enjoy the dance weekend. Please do not bring or use products which contain fragrances, such as: deodorants, perfumes, aftershaves, and colognes. **We provide fragrance-free shampoo, conditioner, lotion, and soap** in the bathrooms and shower facilities, and hand sanitizers at the sinks by the dining hall. For other personal items, please bring fragrance-free varieties or refrain from use during camp (ideas and suggestions on the [website](#)). Thank you for making Northwest Passage comfortable for all of our dancers and musicians.

## COMMUNITY

Our residential dance camp is a community creation where campers come together to dance, eat, and commune with each other in a collective setting. It couldn't take place without the generous contribution of time and energy by all. Campers are expected to volunteer for **two or more** "camp jobs" or "chores" during the weekend, so that Northwest Passage will continue to be a rich and joyous experience for all. Be sure to sign-up on the sheets near the entrance to Fanning Hall when you check-in. Thanks for pitching in!

Some of our campers fly or drive great distances to be part of our camp experience. Those who fly still have to go the 50 miles between the airport and camp. Help your fellow campers by becoming a "transportation angel". Go to our [Facebook Group](#) and offer to help each other with carpooling or shuttling between the airport and camp.

### DIRECTIONS (How to Get There) – See also interactive [Google Maps link](#).

Northwest Passage is location at [Mt. Hood Kiwanis Camp](#), 4 miles east of Rhododendron, Oregon on US Highway 26.

**From Portland airport PDX:** Take I-205 south to I-84/US 30 east (exit 22) and continue with **From Portland** directions.

**From Portland:** Go east on I-84/US 30 E to Wood Village Exit 16. Turn right (south) and go up the hill (becomes 242<sup>nd</sup>) until you come to Burnside Street (2.8 miles). Turn left onto Burnside. You will come to the Powell Valley Junction (0.7 miles). Continue through it and you will be on US 26. Stay on US 26 for about 33 miles.

**Eastbound on US 26:** the sign for camp will be on the right but the turn will be to the left. Forest Service road numbers increase as you leave Rhododendron. Watch the road numbers and turn left on Road #39. Mt. Hood Kiwanis Camp is the second camp on the right. Road #39 ends shortly after the camp entrance.

## 2018 Northwest Passage Dance Camp - Camper Welcome Letter!

**Warning:** the left turn from US 26 onto Road #39 is very dangerous if there's traffic. You're in the number 1 (left) lane of a major highway waiting **without a turn lane**. Cars behind you may not notice you're stationary and you might get rear-ended. If it's not safe to turn left from US 26 onto Road #39, continue East for five miles to Government Camp where there are safe left turn lanes and opportunities to turn around and use the Westbound on US 26 instructions (below) to arrive safely at camp.

**Westbound on US 26:** go past Government Camp, watch the Forest Service Road numbers and turn right on Road #39. Mt. Hood Kiwanis Camp is the second camp on the right. Road #39 ends shortly after the camp entrance.

### **PARKING IS LIMITED - CARPOOLING STRONGLY ENCOURAGED**

The Kiwanis campsite has reduced the size of our already limited parking area. Use the attached roster to find folks in your area and look for carpool opportunities. We encourage you to car pool to camp – It is fun to travel together and fewer cars means everyone parks onsite. Our parking coordinators will thank you. You can also post requests or offers to carpool at our [Facebook Group](#).

The Kiwanis campsite is especially limited for Car-camping or RV spots, especially if you need hook ups. If you're a Car or RV camper, **we need to know the size/length of your vehicle, whether it's electric**, and any special needs you have, so we can try to avoid surprises at camp. Let us know if you haven't been contacted.

### **EARLY SET UP**

**Tenting campers** may arrive at 4:00pm on Friday for pre-check-in. They will select a specific tent site or platform, haul their equipment up, set up their tent site, and then return to Fanning at 5:00pm for regular check-in.

**Car/RV campers** may arrive at 4:00pm on Friday in order for the parking crew to assign your parking place (no self-park please), and/or make any special arrangements. Then come to Fanning at 5:00pm for regular check-in.

## CHECK-IN

Check-in is 5:00pm at the entrance to Fanning Hall. This is a new HARD start time. Please don't trickle in early at all hours. This has caused a number of problems we wish to avoid this year.

At the check-in table, please follow these steps:

- Check your name off indicating you're here
- Sign up for **two or more chores**
- Take roster, schedule, map **if necessary** (*you should have brought these with you*)
- Take your button and wear it
- Go set up your bunk space

The check-in area is staffed from 5:00pm to 8:30pm. After 8:30pm, please self-check-in at the table at Fanning Hall. Got questions? Let us help!

## CAMP FACILITIES and SLEEPING ARRANGEMENTS (see also [camp map](#))

A variety of accommodations are available for use at Mt. Hood Kiwanis Camp. Included are dorm-style cabins, platform tents, and private tent sites. **NOTE: tenting locations are very limited. Make sure you registered as tenting to ensure spaces are available at check-in time.**

Indoor sleeping accommodations are grouped as women only, men only, co-ed, and families with children. There will be some limited space for small campers or travel vans. Like we said earlier, large RVs are difficult to accommodate.

Restroom/shower facilities are available in each building and in the nearby bathhouse for tent campers.

Fanning Hall will be the site of dances, meals, and workshops. Additional workshops will be held in Laurel Lodge and Cy Lodge, each a short walk from Fanning Hall.

There are hiking trails from Mt. Hood Kiwanis Camp into the forests of Mt. Hood. There's more information about them at both [our website](#) and the [Kiwanis website](#).

## FOR SAFETY SAKE

By late summer and early fall, the Mt. Hood area will be an elevated fire hazard area. **Absolutely no smoking, candles, or other flames** are allowed in any of the buildings or outside on the grounds. Smoking is allowed only in your car with windows rolled up. **(Yes! In your car with the windows rolled up.)**

## CANCELLATION POLICY

If you must cancel, your fee, less \$35, will be refunded if you let us know by Aug 7th. After Aug 7th, your full fee may be forfeit if we cannot find a replacement camper. Please do not find your own replacement. We will fill your place from the waiting list.

## EVALUATIONS

As we reach the end of camp, we really want to encourage you to give us feedback. Please take the time to provide the kind of information **you** would want to know if you were running camp.

We have a quality rating chart in the middle of the form and have a favor to ask. If any score is less than perfect, please make suggestions of what you would change to improve that score on the back of the form. Those details will make it more likely that we can actually do better.

## A FEW FINAL THOUGHTS

If you haven't already, join our Northwest Passage Dance Camp [Facebook group](#). keep up to date with news on camp and to share tips, pictures, and carpool/transport offers/requests with friends and fellow campers.

Please let us know if your address changes over the summer or if you notice any mistakes in the attached preliminary registration list.

Camp ends Monday after brunch and the final dance party, in time to drive home before the traffic is really heavy.
